Foreword

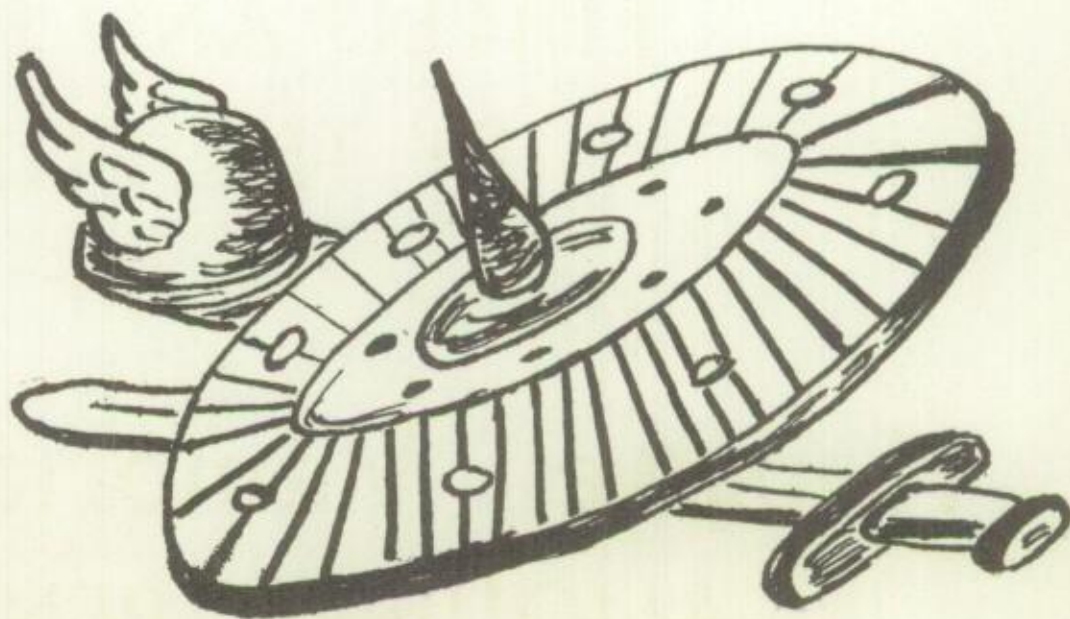

In the future what will this book mean to you as an individual and as a student?

This yearbook contains the memories of your friends and the social affairs and the sports events which you attended as a student of Hopewell Memorial High School. All of your sorrows and your happy and joyous memories, which shall last a lifetime, are illustrated in pictures and in words.

As you approach graduation you must face the fact that you are no longer a child. Now you are an adult, and you must think and act as an adult.

Many of you will continue your education in some form or other, but many will graduate from high school and then go to work. Regardless of where you go or what you do, we hope that you will, from time to time, leaf through the pages of this yearbook to find your friends and the cherished memories of your high school days.

Dedication

THAT WE MAY EXPRESS OUR GRATITUDE

"If we work upon marble, it will perish.
If we work upon brass, time will efface it.
If we rear temples, they will crumble to dust.
But if we work upon men's immortal minds,
If we imbue them with high principles,
With the just fear of God and love of their fellowman,
We engrave on those tablets something which no time can efface,
And which will brighten and brighten for all eternity.

Daniel Webster

With the launching of Sputnik I in 1957, the educational system of the United States underwent one of the most grueling inspections of its history. Everyone, from the President down to the taxicab drivers, had some criticism to make. Added to this was an unprecedented enrollment with inadequate space. All these problems have plagued the teaching profession. Today the salaries of teachers have not kept pace with those of other professions. Thus the teachers who staff our schools must be dedicated to be with us at all.

Next to the home, the school bears the greatest influence in the life of the student. Thus, the graduate goes forth into the world as a composite part of home and school influences. This has been the American challenge to the Russian system of schools. The teacher here tries to educate the student to take an active part in his community, government, and society. "To prove all and hold fast to that which is true," this is the essence of education in the United States.

The new Hopewell Memorial High School was the heritage of the class of 1960. As seventh graders, we entered it in 1954, the year of its completion. We have, therefore, been more fortunate than any other class thus far graduating from this district. However, we must bear in mind that the nucleus of teaching has always been a teacher surrounded by a group of students. This is how it has been down through the ages. Whether the class was gathered under the trees or a sunny sky, in a crude shack or a fine building, the teacher always played the leading role; without him, we have no school. The quality of the teacher, therefore, determines the quality of the school.

As we, the class of 1960, look back on our high school years, we realize that we have been truly blessed. We are grateful for our material blessings, but deep down we know that the devoted teachers that staff our school were, by far, our greatest blessing. That all might be cognizant of our feelings, we, the class of 1960, dedicate this issue of the Viking to our faculty.

Supervising Principal

Mr. John Milanovich
Supervising Principal

Mr. Morack, our business manager, graduated from New Brighton High School and Geneva College. He previously worked for the American Bridge Company and for the Cleveland works of the General Motors Corporation.

In the supervising principal's office we find three very efficient, hard workers. They are: Mrs. Curtiss, Mr. Milanovich's secretary; Mrs. Donkin, the assistant business manager; and Mrs. Salay, the payroll clerk.

Congratulations! Class of 1960! Since you have entered high school satellites have been launched and the moon has been photographed on its dark side. One consequence has been sharp criticism of our educational system, of which you are a product.

Yours will be the task of shaping the school of the future. Certainly there are some who need to be scientists - some to be mathematicians - some to be linguists. You must remember that this nation is the result of a dream of - self-government - self-realization - self-development - and freedom of choice. A major objective of public school education for you, and equality of opportunity for all, has been an effort on our part to establish your faith in these ideals.

Board of Education

The school board of the Hopewell--Independence--Raccoon Joint School District is composed of seventeen members. Seven members represent Hopewell Township, five members; Raccoon Township, and five; Independence Township.

The very able officers for 1959 were President, Mark Hilliker; Vice President, Joseph Bontempo; Secretary, Lawrence Blaney; and Treasurer, Ann McConnell. Mr. Myron Rowley was solicitor of the board.

Much of the board's work was carried out in committees. Seven members composed each committee. The committees were Athletics, Building and Grounds, Education and Personnel, Transportation, Finance and Purchasing, and a committee governing Rules, Regulations and Procedure of the Joint Board.

Left to right: First row, Mrs. Opal Hilton, Sec. Independence Board, Mrs. Ann McConnell, Treasurer, Sam Taormina, Mark Hilliker, President, Lawrence F. Blaney, Secretary, Mrs. Mae Smith, Jas. Gorman, John Morack, Office Manager. Second row, John Milanovich, Supervising Principal, John McMichael, Kenneth Salsbury, Wm. Bruce, Dr. Milton Eger, Vice President, Ralph Mellott, Wm. Mook, Jas. Rowley, Solicitor.

Left to right: Robert Wilson, James Rowley and Ralph Mellott discussing the building program.

MR. CAMILLO BONOMI
Assistant Principal

You are the products of the best education available. Through your extra-curricular activities, you were afforded the opportunity for self-expression and leadership. You are fortunate in having a well-balanced and professionally-minded teaching staff. The general feeling and environment at Hopewell Memorial Junior-Senior High School is contributory to good sound learning.

I am sure you have taken advantage of the opportunities exposed to you, and will remain good examples of your school, and excel in whatever field of endeavor you choose.

God speed to the class of '60.

Camillo A. Bonomi

DONALD D. KRATZERT
Principal

GRADUATION 1960:--an important milestone in your life. As you approach this event, I want to congratulate the "Class of 1960" for their accomplishments during their high school careers. We hope that you will make the ideals, such as, honesty, tolerance, courtesy, loyalty, an good sportsmanship, an essential part of your future life. These are some of the aims which Hopewell Memorial High School has attempted to instill in all her students along with the opportunity for an education. If you make these ideals a part of your life, you will be successful. By being a success we do not mean merely amassing great wealth, but rather a feeling of accomplishment and the knowledge that you have done your best.

Donald D. Kratzert

Mrs. Virginia Smith is a vital member of our school family. She has been secretary to the principal, Mr. Kratzert, since 1952. She runs his office with great efficiency and speed. School life is made easier and more pleasant by her presence and help.

This is Mrs. Grace Yarnall's first year at our school. She is secretary to Mr. Bonomi, the assistant principal. We find her to be very efficient and helpful.

With so much emphasis being placed on proper education, the students of Hopewell Memorial High School can feel proud that they have such a well-qualified faculty. They should feel glad that each member of their faculty will gladly give both their time and effort to help the student body.

This year many new faces were added to our faculty. Each of these were gladly accepted and welcomed by the students in both the junior high and senior high schools.

The faculty members are respected in the school and the community because they are so important to the lives of each student. In order to be taught, there must be teachers. Hopewell students should be glad that they have the finest.

Every student, as he progresses from year to year, should not forget any of his teachers. He should think back and remember them as stepping stones to his present life.

Every member of the faculty has a helping hand which is always extended. They take time to help the students when it is necessary. Their efforts should not be in vain. Each student should take advantage of the opportunity to be taught by such capable teachers.

Health Medical Guidance and Attendance

The attendance staff is composed of two members. Mrs. Doughty is the home and school visitor, and Mrs. Schuck is Mrs. Doughty's able and efficient secretary.

Seniors

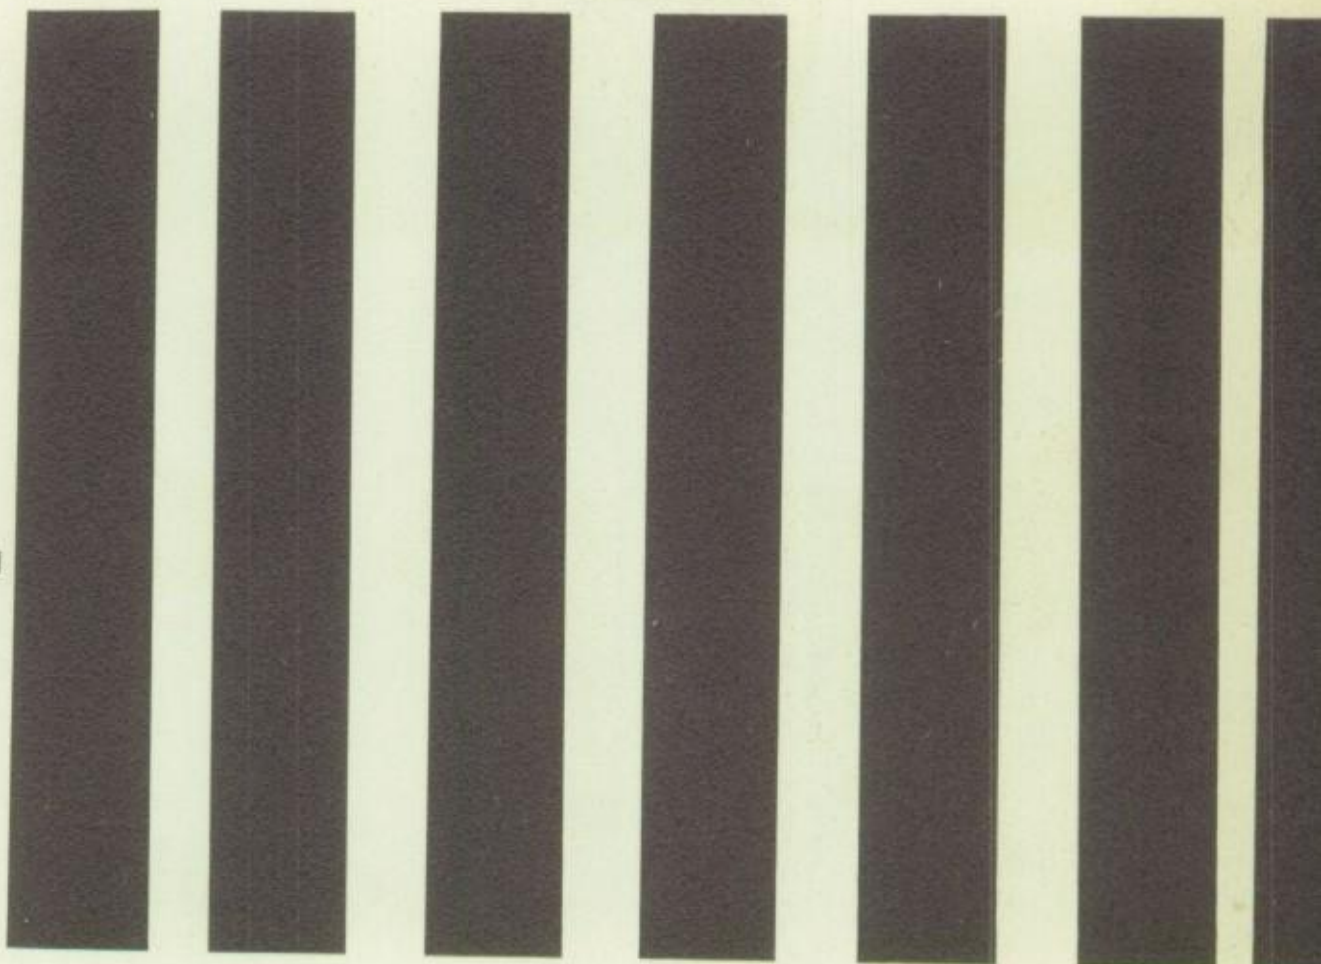

We began our high school career as the first seventh grade in the new building. As we progressed, the American Legion presented its awards to two outstanding eighth graders, Patti Figley and Dennis McCartney.

As sophomores, we elected Larry Miller, class president. He very ably led the class in several money making projects.

Alex Kavic was elected to the presidency of our Junior Class. After raising sufficient funds, we had a very successful prom entitled "Roman Holiday."

We began our senior year by again electing Alex Kavic as our president. Starting off our money making drive were two socials. A Football King and Queen were elected to reign over the last home game. Later in the year a Play King and Queen reigned.

We all look back on the years full of fun, excitement, and work. We thank you, our sponsors and teachers, for guiding us.

Statistics of the Class of 1960

In the class of 1960 the girls outweigh the boys 13,355 to 10,987 lbs. The boys are taller than the girls with a total of 492 feet to 491 feet. An average class of '60 boy weighs 157 lbs. and is 5'8" tall. An average girl weighs 110 lbs. and is 5'3" tall.

48% of the class have brown eyes, 37% blue, 7% green, 5% hazel, 2% gray, and 1% have black eyes.

Brown hair is prevalent with 73%, 10% are blonde, 4% are redheads, and 7% have black hair.

A variety of 24 nationalities and 10 religions are represented in the class of 1960.

The officers of the Class of 1960 are: seated; Gloria Sine, secretary; Alex Kavic, president; Paulette Yaklich, treasurer. Standing; Ronna Michaylo, vice-president; Dennis McCartney, sergeant-at-arms.

Senior Class Officers

The twentieth graduating class of Hopewell Memorial High School was led by the following senior class officers: Alex Kavic, president; Ronna Michaylo, vice-president; Gloria Sine, secretary; Paulette Yaklich, treasurer; and Dennis McCartney, sergeant-at-arms. We have chosen these people to represent our graduating class. Therefore, we respect and accept their elected positions. They have fulfilled the obligations and responsibilities which we have placed upon them. They have had many experiences both pleasant and unpleasant, which shall long be remembered through their fine showmanship and leadership qualities. In view of these facts, our 1960 class wishes to acknowledge their leadership and commend them for a job well done.

For these six teachers: Miss Margaret Gregory, Mrs. Shirley Patterson, Mr. Lloyd Cable, Mr. Louis Elias, Mr. Alex Horchak, and Mr. Steve Mulik June is rather special. They see "their" senior class graduate. Upon Graduation Day, when we look into the past, we see how these sponsors, along with other teachers, have helped us along the way.

Sports

The Athletic Director at Hopewell Memorial High School for 1959-1960 was Mr. Michael Volitich, recently retired basketball coach. Our coaching staff included: Football: Mr. William McDonald, Mr. Rey Dempsey, Mr. Walt Cleary, Mr. George Hrubovcak, and Mr. Richard Seomen; Basketball: Mr. Lloyd Cable, Mr. Harry Rowley, Mr. Rey Dempsey, and Mr. Clyde Scursatone; Track: Mr. Walter Cleary; Cross Country: Mr. Charles Sirko; Baseball: Mr. James Currie; Golf: Mr. William Batchelor.

Athletics have been on the upgrade in recent years at Hopewell, especially in our newest sport, track and field. The Hopewell Thinclads won the Beaver County Championship last season, and are looking forward to repeating their performance.

Sports are an important part of the activity program at Hopewell Memorial High School. Representing each sport are the following: Dave Nelson, football; Frank Samoviski, cross country; Brad Vest, golf; Jim Troynar, basketball; Jerry Greco, baseball; Dick Gorsuch, track. These boys and many others have exerted a lot of energy to give our school a good sport record.

Football 1960

The Vikings made a very fine showing in the 1959 football season under Coach William McDonald. Mr. McDonald has completed his second season at Hopewell as football coach. The team won five games while losing only four. This was enough to enable them to take second place in the newly established Midwestern Athletic Conference.

Twelve members of last year's Viking team were lost by graduation, but there were twelve returning lettermen--eight seniors and four juniors.

The Vikings worked under some handicap during the regular season due to injuries sustained by some of their key players.

Coach McDonald instituted a few changes in the offense, swinging away from a spin-T formation to a winged-T formation. There was also more emphasis on a running game and a trend toward two-platooning.

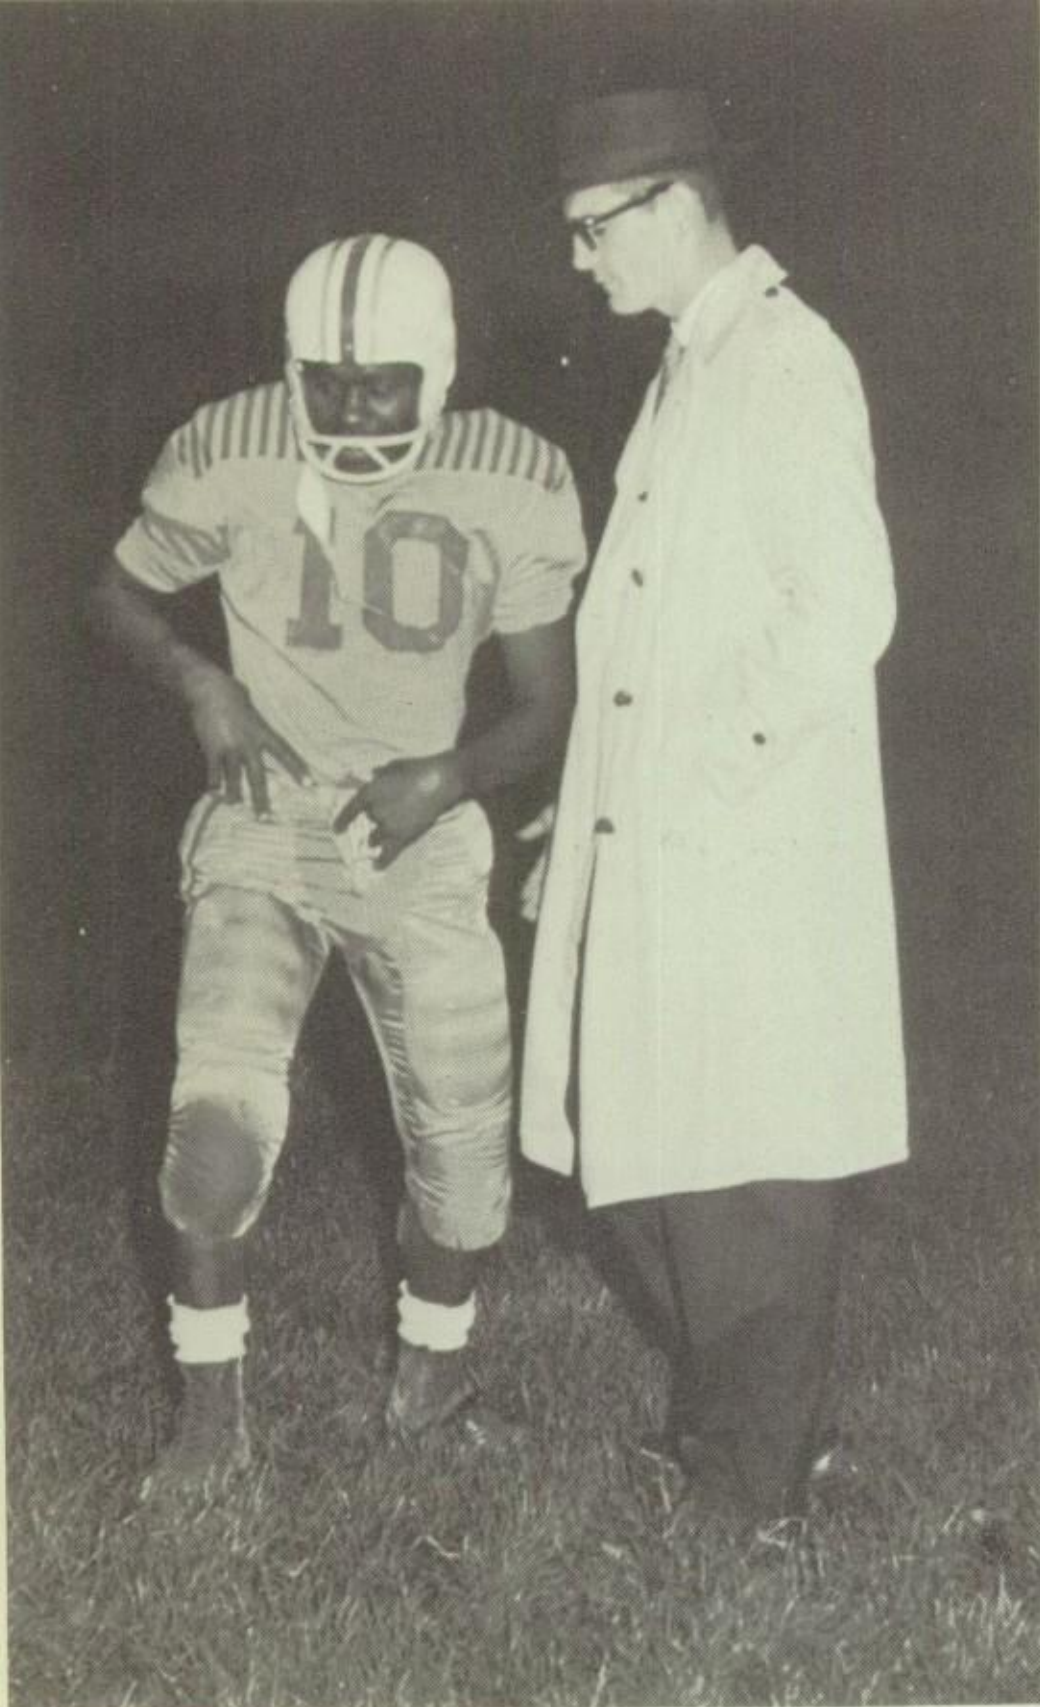

This year's team was able to compile a total of 113 points compared to 105 by their opponents.

The 1959 Viking team was built around the twelve lettermen: Seniors--Dick Gorsuch, Ron Fuller, Sandy Buchan (voted the most valuable player), Steve Depaulis, Ed Domitrovich, Jim Harvey, John Polochak, and Dennis McCartney; Juniors--Guy Avolio, Charles Lundy, Don Markel, and Andy Young. Besides the twelve lettermen, the Vikings also received considerable help from a dozen non-letter holders with considerable experience. This group included several who would have been regulars in 1958, but for injuries.

Coach McDonald was assisted by Rey Dempsey and Walter Cleary, with freshman coaches George Hrubovcak and Richard Seomin helping with pre-season drills.

Basketball 1960

The 1959-60 Hopewell Memorial High School basketball team was coached by Mr. Lloyd Cable, who replaced the retired Mr. Michael Volitich. Mr. Cable was formerly a very successful mentor in the junior high ranks.

The Vikings opened the season impressively, winning six straight games over Moon, Avalon, Quaker Valley, Coraopolis, Ambridge, and Avonworth. All of these games were "squeakers" with the exception of Avonworth. The first five games were won by a total of 19 points as the Vikings measured Moon by 5, Avalon by 5, Quaker Valley by 2, Coraopolis by 3, and Ambridge by 4. In the last regularly scheduled exhibition game, a strong South Hills Catholic team handed Hopewell their first loss quite convincingly.

In the second annual Holiday Basketball Tournament sponsored by the Hopewell Lions Club, the Vikings didn't fire very well. Beaver Falls won the tourney, followed by Braddock, Clairton, and Hopewell, in that order.

On January 5, the Vikings opened W. P. I. A. L. Section Eight Competition by downing Freedom in overtime. The Vikings then journeyed to Beaver, where they were clawed by the Bobcats. Rochester was the next opponent in a game played at Dawes Gym, New Brighton, where Hopewell beat the Rams. The high-flying New Brighton Lions were the Vikings' next opponent in a game played at Dawes Gym; New Brighton won but Hopewell gave them quite a ballgame. Calvin Sheffield set a New Brighton scoring record of 38 points, but Hopewell's Al Bell was close behind with 32. To round out the first half of Section Eight Play, Hopewell defeated Monaca and was beaten by Midland.

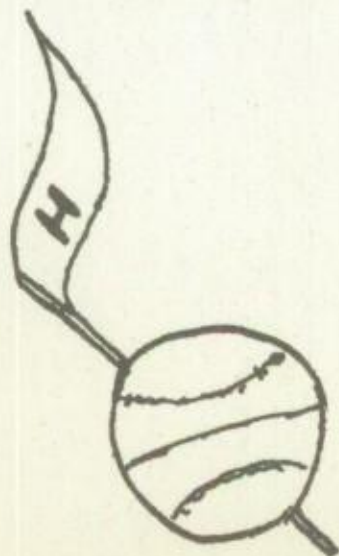

Coach Cable had only two returning lettermen, center Jim Troynar, and guard Ron Fuller, both seniors. Seniors, Al Bell and Butch Karamarkovich, along with junior, Chuck Lundy, rounded out the usual starting lineup. Seniors, Larry Kuzma, Jerry Greco, Rich Smithnosky, and junior, Andy Young, completed the varsity squad. All of those boys started at one time or another and all saw plenty of action.

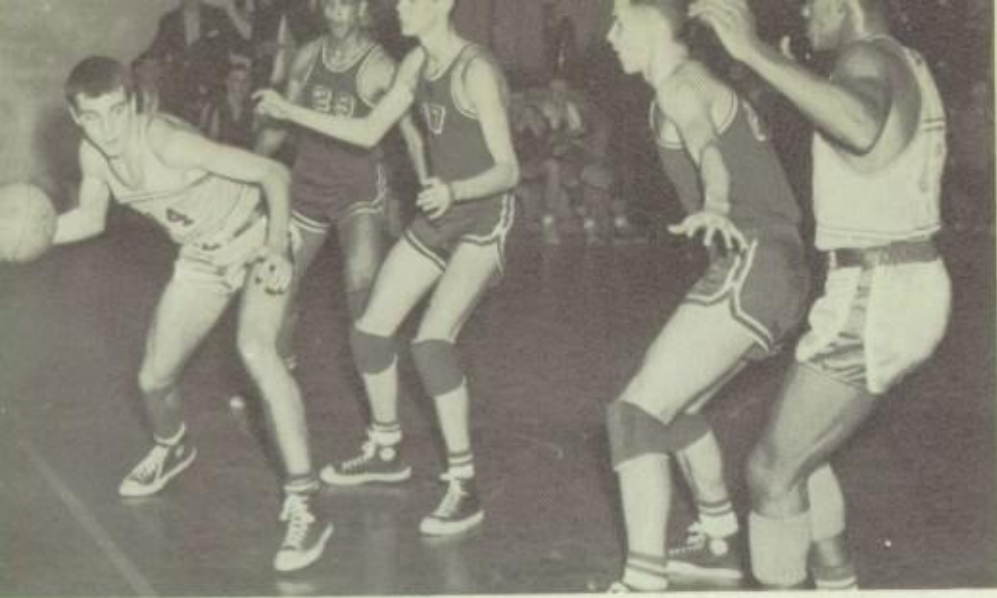

As Section Eight began play for the second half of the season, Hopewell was fourth out of seven teams and seemed destined to stay there for the remainder of the season. Due to Hopewell's deficiency in height, Midland, New Brighton, and Beaver handed the Vikings losses, while the Vikings were able to defeat Freedom, Monaca, and Rochester; teams about the same size as our boys.

Congratulations boys for a season well played.

Mr. Harry Rowley, Coach

Down boy, Down!!!

Making his debut into the coaching ranks of Hopewell Memorial High School was Mr. Harry Rowley, as he assumed the leadership of the junior varsity basketball team. Mr. Rowley formerly coached junior high basketball at Ambridge Junior High School.

The team was made up entirely of sophomores, except for two juniors, Jim Swan and Joe Verbanic. The sophomores included Mel Vuynovich, Tim Force, Dave Anderson, Fred Milanovich, John Raffle, Rich Reinbeau, Doug Vaughn, Jim Agich, Dan Charles, Joe McKean, Dave Kistler, Dave Jordan, and Ralph Davis.

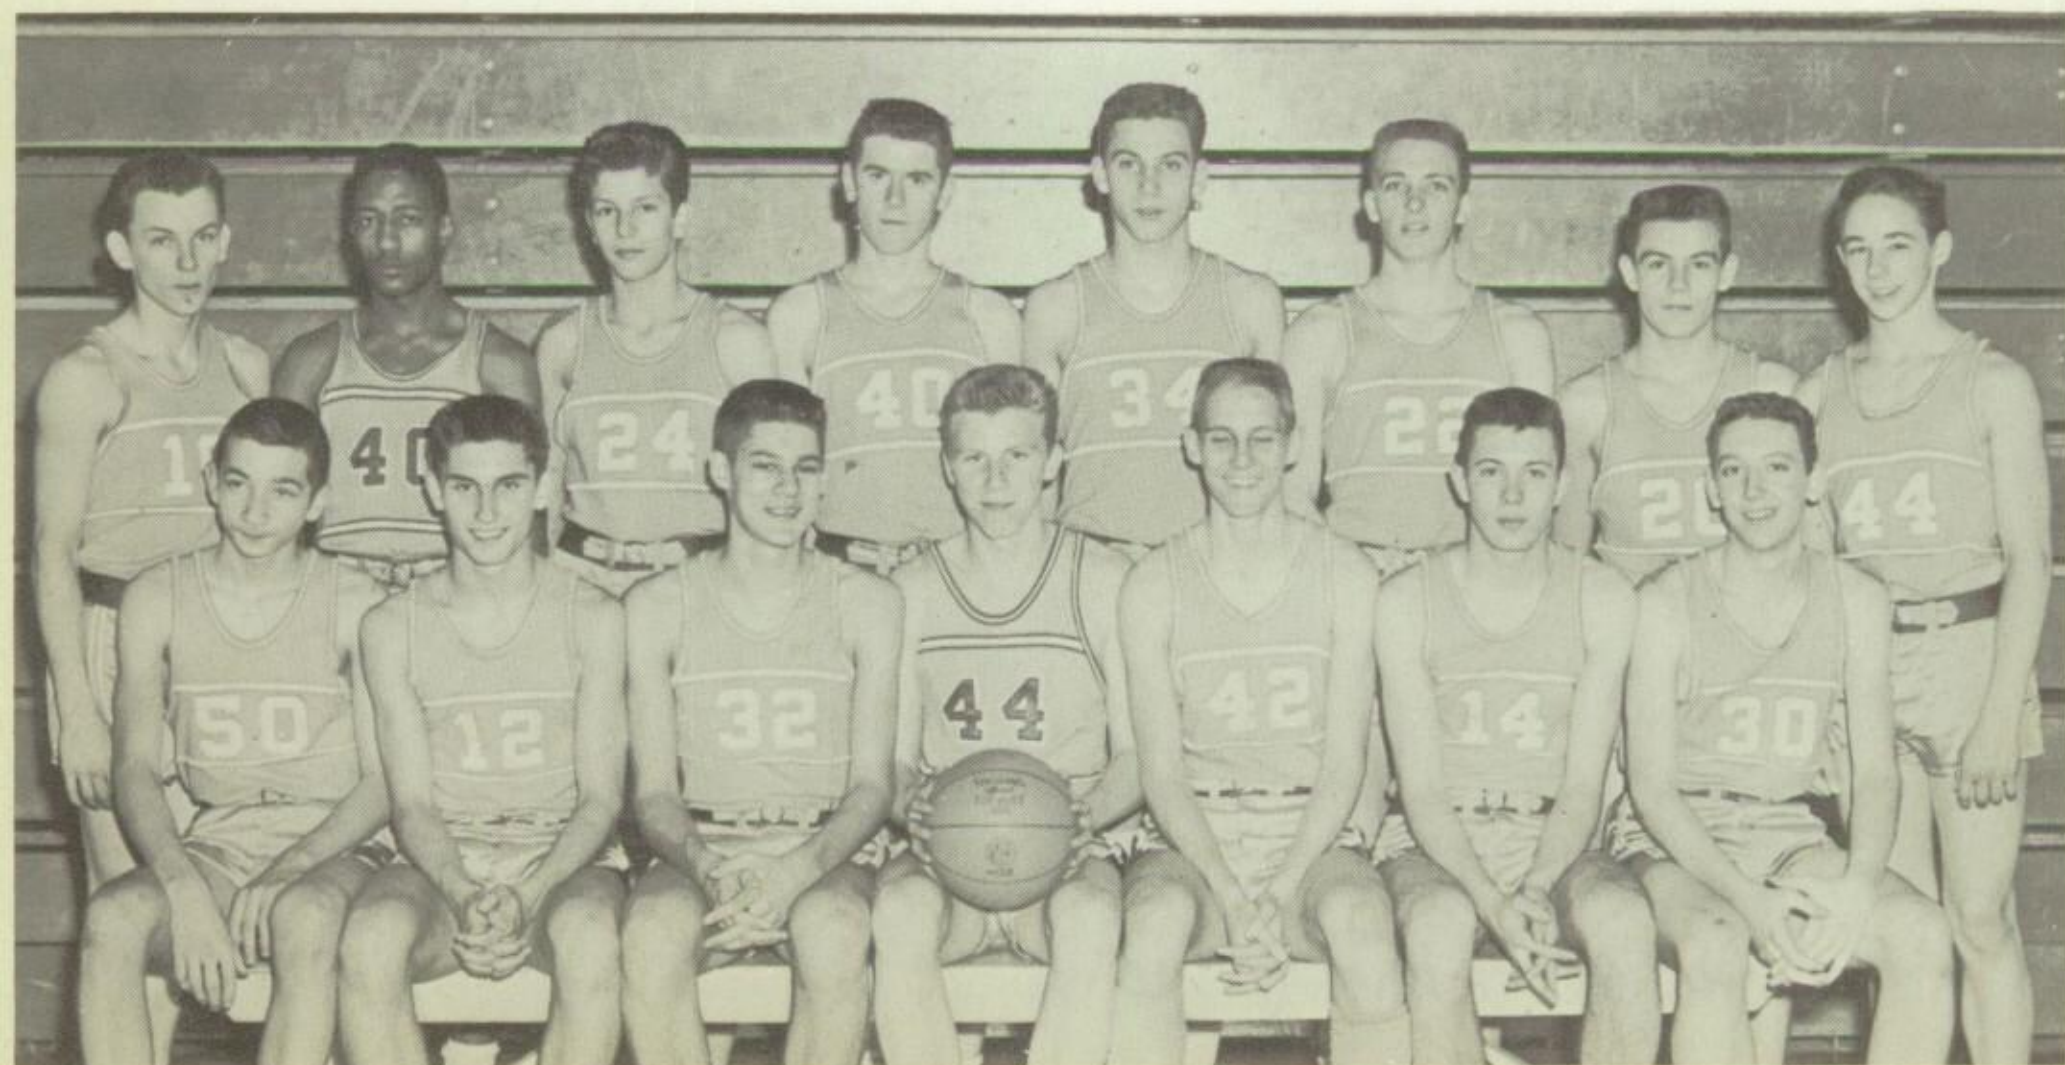

Starting most of the ballgames were Swan, Force, Vuynovich, Anderson, and Milanovich. Verbanic, Raffle, and Reinbeau also saw considerable action.

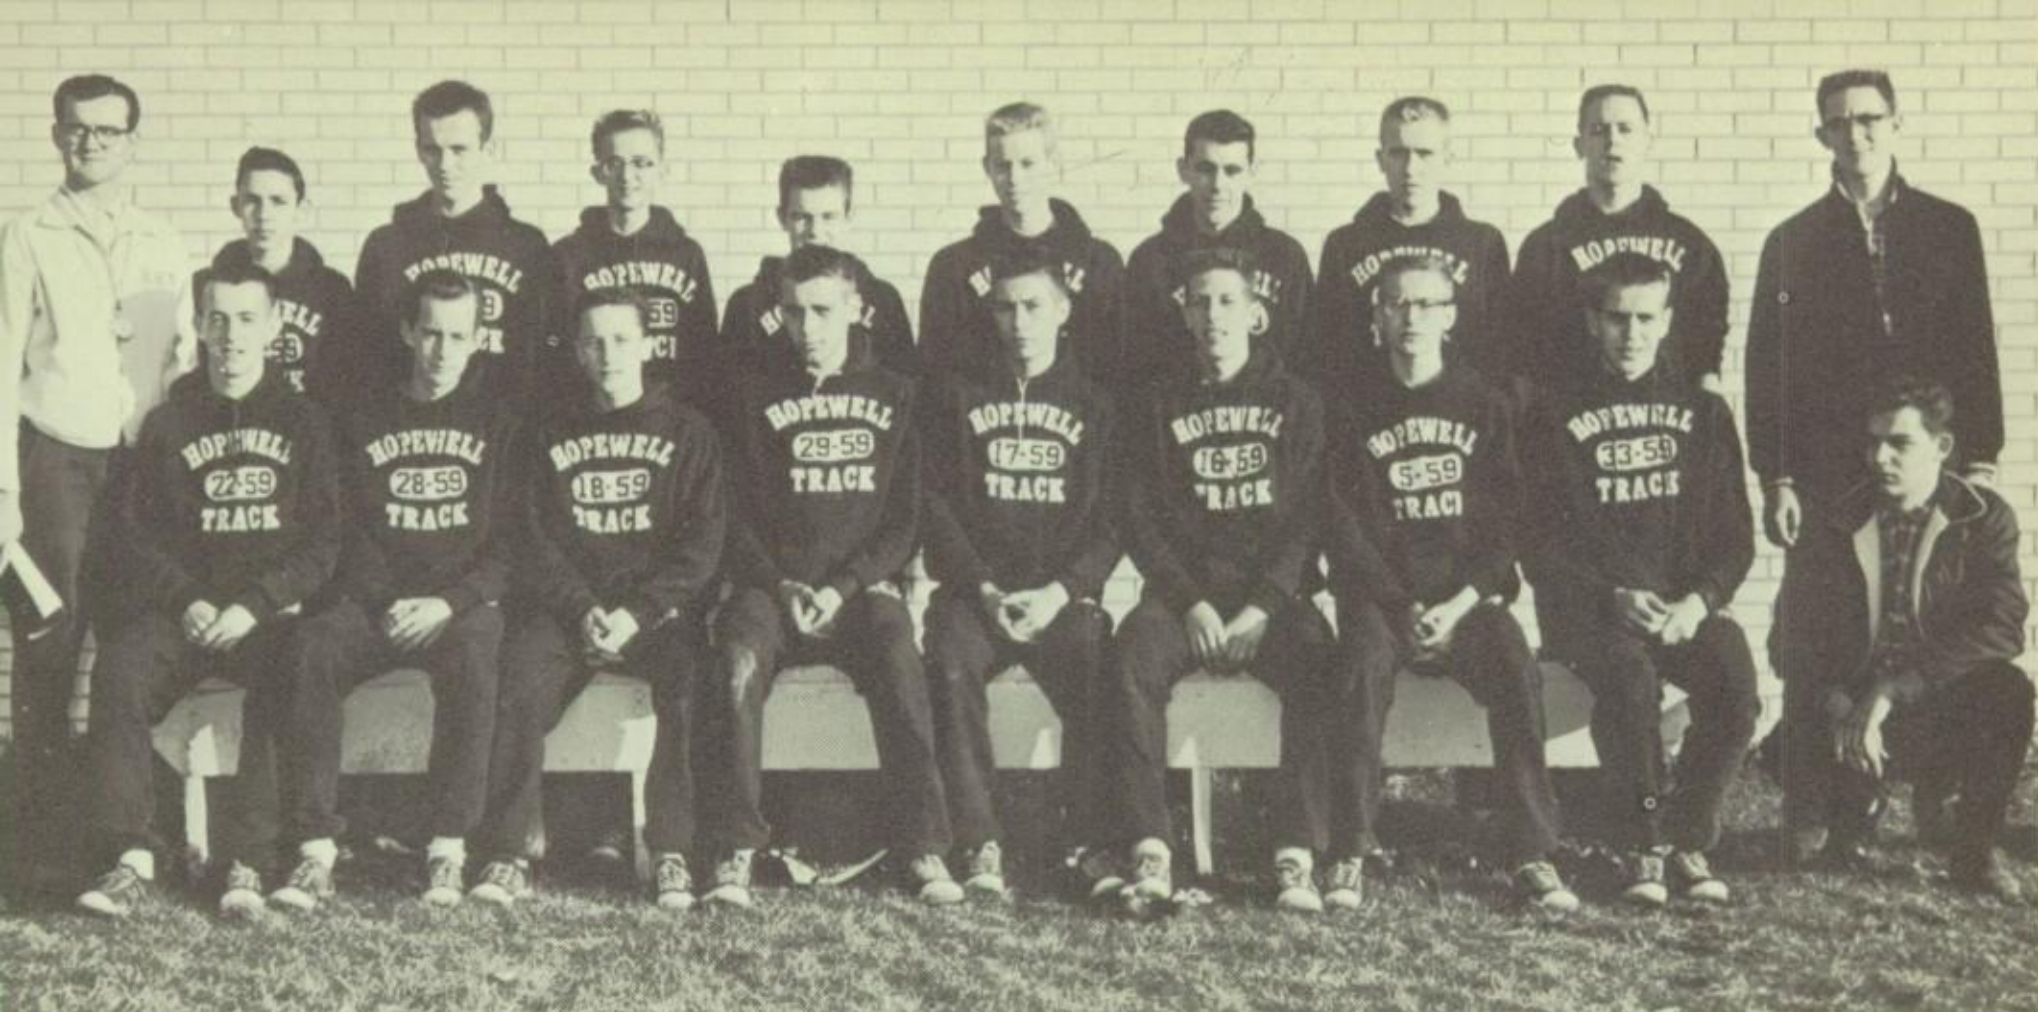

While some of the other boys didn't play too much, they gained invaluable experience in practice and they all hope to make the varsity next season.

The whole principle of having a junior varsity team in any sport is to teach younger boys the tricks of the trade. Some boys, such as Swan, Vuynovich, Anderson, Force, Milanovich, and Raffle developed fast enough to dress for some of the varsity games and even see some action.

Cross Country

The 1959 Cross Country season, the second under the skillful guidance of Coach Charles Sirko, was a successful one in many respects.

A record of 5 wins and 5 losses was the best ever achieved by a Hopewell Cross Country Team. Some of the notable victories were those over Meadville and Aliquippa. In Invitational and Championship Meet Competition, the Viking Harriers did rather well. Competing in the Slippery Rock Invitational, the team finished 14th; Central Catholic Invitational, 9th; W.P.I.A. L. finals, 11th; and the West Virginia Invitational, 6th. All of these performances bettered last last years.

However, the greatest achievement was an individual one. Co-captain Frank Samoviski, the

greatest cross country runner in Hopewell's history, achieved his greatest success. During 1959, Frank, the nucleus of the squad, was sensational. Hopewell may be proud to say Frank was an individual winner in 6 out of 9 meets, was a school record holder for 2 1/8 miles (Time: 10:57), was an 8th place Trophy winner at the Central Catholic Invitational, 13th place medal winner at the W.P.I.A.L. Finals, and a 15th place medal winner at the P.I.A.A. State Finals.

Frank's 15th Place Medal win in the State Finals at Penn State University was his most important personal triumph. With it came the honor of being the first boy in Hopewell's history to become a state medal winner and to receive state recognition for athletic excellence.

Hopewell's First State Medal Winner!

Leading Scorers!

Frank's 1959 accomplishments ranked him as Hopewell's most outstanding cross country runner. His 15th place finish in the State Finals made him Hopewell's first State Medal Winner.

The senior members of the 1960 Golf Team - B. Vest and D. Nelson.

To the members of the 1959-1960 Hopewell High School Golf Team, the familiar sound of "thwapp" will commemorate the beginning of another golf season. As far as these boys are concerned, they will endeavor to make this specific season the most successful one in Hopewell's history.

Statistics show that this ambition might well be fulfilled. This year the team will have three lettermen returning for another fling at the turf. Brad Vest, senior, and Ronnie Pegula and Harrison Greene, juniors, are these lettermen. They along with their fellow team-mates, Almand Thomas and Spencer King will probably be among the starting five for this season. Several other perspective new members of the team and last years beginners will fight for other positions, so that they may try to earn honor for Hopewell and a letter for themselves.

Already scheduled for match play this season are many of last years' regular team. Ambridge, Aliquippa, New Brighton, Beaver Falls, and Monaca will find competition keen when they match Hopewell at our home, Aliquippa Golf Course, but Hopewell will experience a fight to the finish when they visit an away course.

Baseball

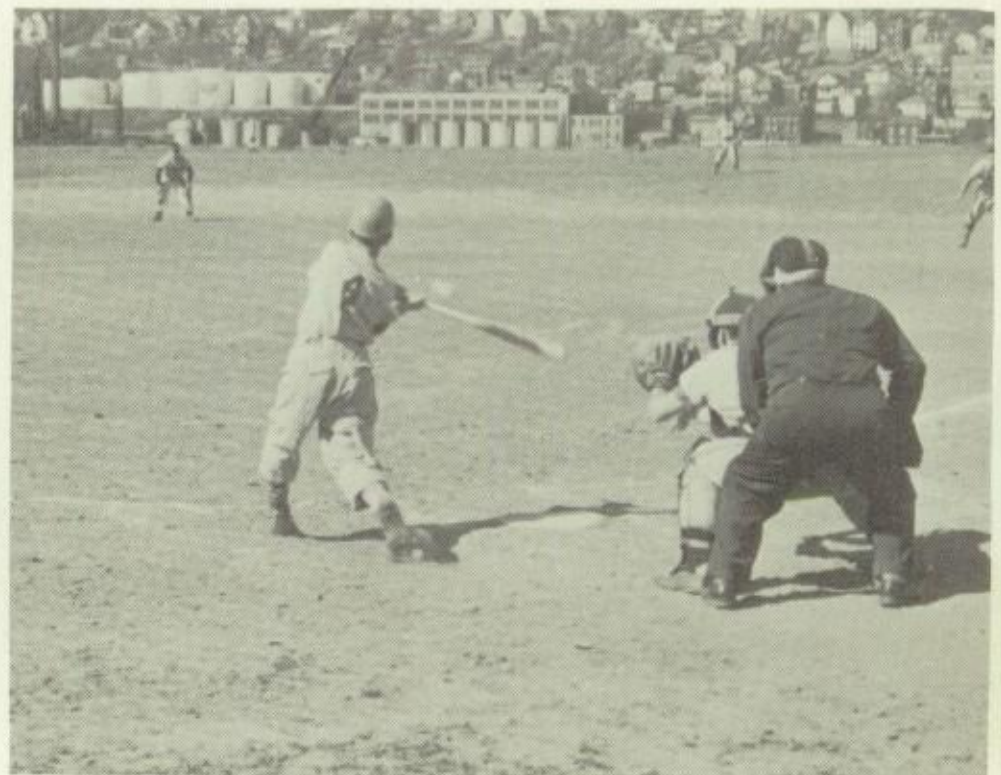

The Viking nine finished the 1959 baseball season with a record of four wins and five losses. This earned fifth place for the Vikings in the Section 5 standings. Injuries to key players hurt the team all season long. The leading hurler for the team was Ron Huchko. He received fine relief from Chuck Lundy, Don DeLong, and Rich Smithnosky.

The starting nine was built around the nine returning lettermen; Jim McKean, first base; Joe Verbanic, second base; Jerry Greco, shortstop; Bob Toothman, third base; Larry Miller, outfield; Larry Kuzma, outfield; Joe Yarosz, catcher; Don DeLong, pitcher; and Ron Huchko, pitcher. Majorettes

Wherever our band went this year, you would see our six high-stepping majorettes adding excitement and color.

Our busy majorettes have performed in the many exciting and different half-time shows in addition to the weekly pep assemblies.

In their new summer uniforms they also participated in the Labor Day Parade at Aliquippa and the annual Kennywood Band Festival.

For these many events they practiced every night after school perfecting their snappy routines which were enjoyed by all.

Cheerleaders

These were the Viking Cheerleaders of 1959-1960. They, along with their new sponsor, Mrs. Virginia Bonomi, were busy with their all different and well planned assemblies. They worked hard in making up a number of new cheers to add to their list. Along with these cheers and their bright smiles they have brought a lot of school spirit to Hopewell.

The squad this year consisted of five seniors and one junior. The substitute who was ready at all times was Betty Rogozewicz, senior.

Under the leadership of the following officers: president, Patty Krayniewski; vice-president, Eleanor Gruzinski; Secretary-treasurer, Paulette Yaklich; sergeant-at-arms, Joyce Ciccone, they have worked many ways to raise money for their club. Their main project this year was the selling of football ads for the programs.

This year the cheerleaders were able to buy new football sweaters, and completely new basketball uniforms, thanks to the school board. With these new outfits they made a stunning appearance at all the football and basketball games.

These vivacious majorettes added much color to the marching band. Row 1. Linda Frese (junior); Row 2. Emilie Sue Elliott (senior co-head majorette); Row 3. Marlane Domitrovich (junior); Linda Swan (sophomore); Joan Milanovich (junior); Row 4. Carole Lee Cunningham (senior co-head majorette).

Our snappy cheerleaders are; Row 1. Patty Krayniewski (senior); Joyce Ciccone (junior); Row 2. Paulette Yaklich (senior) and Eleanor Gruzinski (senior). Row 3. Merriane David (senior) and Harriet Bufalini (senior).

Underclassmen

Hopewell had a good deal to be proud of in their junior class this year.

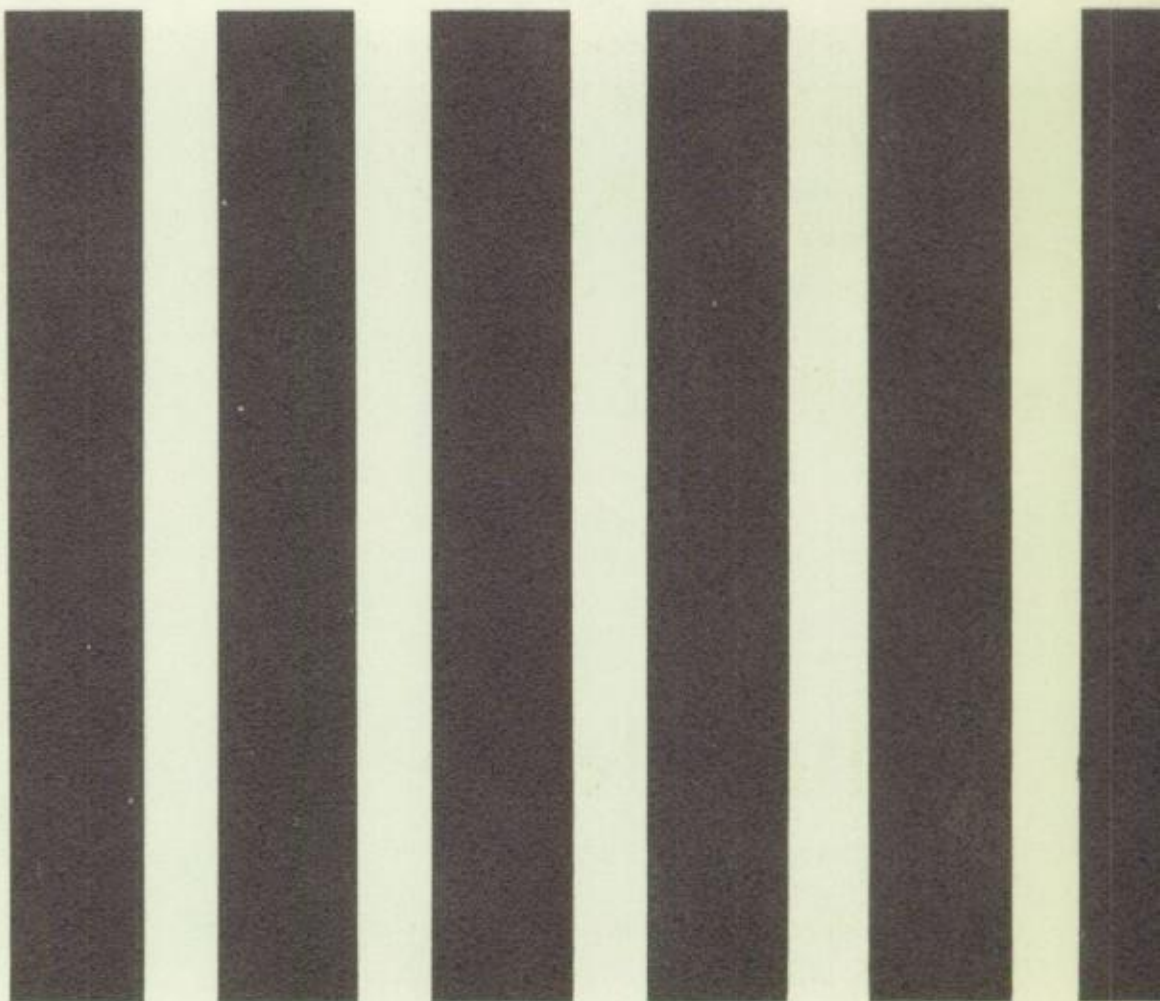

The members of the junior class worked hard all year raising money for that all important event, the Junior-Senior Prom. Their main project being the sale of Christmas paper and ribbon.

The junior class has come a long way with the help of their wonderful sponsors: Mrs. Bobchak, Mrs. Windle, Mrs. Powell, Mrs. Colella, Mrs. Williams, and Mr. Matika.

The sophomore class is also to be commented for their hard work this year.

Although they didn't have to worry about a Junior-Senior Prom, they realized the importance of preparing for the coming year.

With the help of their capable sponsors: Mrs. Brown, Mrs. Opsatnik, Mr. Hollobaugh, Mr. Waters, Mr. Colella, and Mr. Damaso, we are confident that they will carry on in the usual tradition of the students at Hopewell Memorial High School.

The Junior Class sponsors were: Left to Right. Seated: Mrs. Joan Bobchak, Mrs. Wilma Powell, and Mrs. Faye Williams. Standing: Mrs. Dolores Colella, and Mrs. Betty Windle.

Junior Class Officers

We, the class of 1961, chose the following officers to represent us during our junior year.

Our able president, Harrison Greene, was active in many clubs; vice-president, Judy Simonich, was assistant editor of the Viking; secretary, Marlene Domitrovich, was one of the six high-stepping majorettes; treasurer, Joan Milanovich, was also a majorette; sergeant-at-arms, Bob Biancucci, was active in the Student Council.

The sponsors who backed the junior class were: Mrs. Joan Bobchak, Mrs. Dolores Colella, Mrs. Wilma Powell, Mrs. Betty Windle, Mrs. Faye Williams, and Mr. Francis Matika.

They worked along with the officers planning activities to help the class raise funds.

Junior Class

The graduating class of 1961 consisted of 199 members. Each worked very hard to raise money for the Junior-Senior Prom. As a money raising project the class continued the sale of gift wrapping paper and ribbon they had begun as sophomores. Under the expert guidance of the sponsors, Mrs. Wilma Powell, Mrs. Betty Windle, Mr. Francis Matika, Mrs. Faye Williams, Mrs. Dolores Colella and Mrs. Joan Bobchak, the sale was a huge success.

In October the class elected the following officers to represent them throughout the year: President, Harrison Greene; Vice President, Judy Simonich; Secretary, Marlene Domitrovich; Treasurer, Joan Milanovich; Sergeant-At-Arms, Bob Biancucci.

The juniors selected, "No Victory Without Labor" as their class motto. They chose as their class flower, a yellow rose, and as their colors, gold and white.

In our class the boys out-weighted the girls 7,259 pounds to 5,722 pounds. The average girl weighed 121 pounds and was 5'4" tall. The average boy in the class of 1961 weighed 142 pounds and was 5'9" tall.

The survey's surprising results showed that only 22 of the girls were going steady, and 28 of the boys.

Brown hair was dominant among both the girls and boys. The ratio of brown to black hair is 5 to 1 for the boys and 4 to 1 for the girls.

Brown eyes were dominant among the boys, but blue were more frequent among the girls.

Our class represents 17 different nationalities. The majority of the students are Irish with German ranking second.

Hopewell High School band in the traditional H formation.

The band in a closed umbrella formation, which is used when playing "Rain".

"The Hopewell Memorial High School Marching Band, under the direction of Mr. Victor R. Pasquarelli", are familiar words to all who attended the Hopewell football games. The band presented, for your entertainment and enjoyment, half-time shows for all the Hopewell football games.

In addition to football games, the Band participated in several parades during the year. They have an annual spring concert which is always a successful function, and they play for senior high assemblies during football season and for special occasions.

The Band Boosters drive and a Christmas card sale are their fund raising activities. This year the Band Boosters supplied the band members with parkas, which proved useful for chilly football games.

There were one hundred and fourteen members in the senior band. As there were not enough uniforms for all members, eighty-eight comprised the marching band. Carole Cunningham, Emilie Sue Elliott, Marlene Donitrovich, Joan Milanovich, Linda Frusey, and Linda Swan made up the attractive majorettes. They performed with the band for assemblies, parades, and half-time shows. The band announcer, Harrison Greene, took care of announcing not only the half-time shows but also the spring concert and the assemblies. Mr. Tolfa, assistant band director, and Donald Spiece, Senior Band captain, also deserve credit for making the band successful.

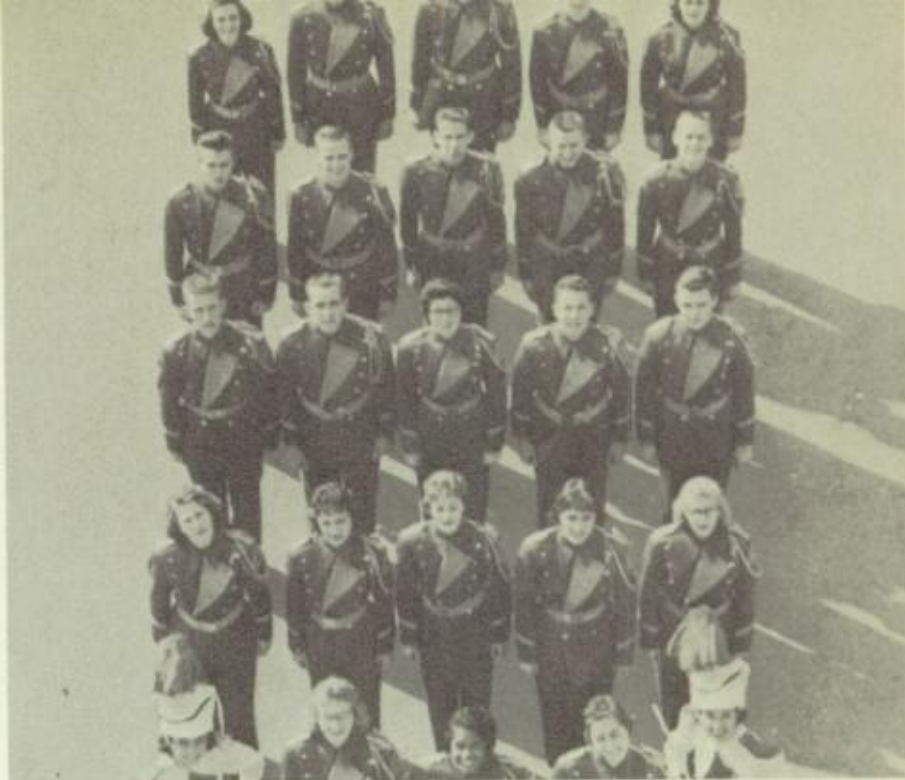

The band is worthy of praise for the fine job they are doing and will continue to do in representing the student body of Hopewell Memorial High School.

1960 Viking Staff

We, the staff of the Viking, proudly present the 1960 Viking, hoping that everyone who reads it will enjoy it.

Under the inspiring leadership of our able sponsor, Mrs. Joan Opsatnik, the staff labored diligently to produce a yearbook even better than those of other years. We feel this was accomplished, although we were handicapped financially by the unfortunate situation in many homes caused by the prolonged strike in the steel industry. This greatly affected the sale of the yearbooks.

Much credit for the Viking must go to our efficient editor, Patti Figley, and her competent assistant, Judy Simonich. They were aided by a conscientious, hard-working staff. Each staff member was placed on a specific committee in order to cover all organizations and clubs in the high school, the typing, art work, and the other features presented in the book. Besides their regular duties, they solicited for ads and sold yearbooks.

We thank the School Services Studio of Ann Arbor, Michigan for its excellent photography included in this book, and all others who contributed to the production of this yearbook. We hope that you will be proud of this, the 1960 Viking.

Editorial Staff

The editorial staff consisted of all the senior members of the Viking staff. Instead of placing all the work on the editor's, Patti Figley, shoulders, each senior member headed one staff such as sports, underclassmen, and faculty. Each was responsible for all pictures, captions and writeups in his section.

The senior members who headed various committees are: Left to Right - Row 1. J. Progar, P. Yaklich, G. Balasik P. Figley(editor), K. Carroll, and E. Elliot. Row 2. B. Salay, K. Morris, J. Maruskin, C. Cunningham, K. Miller, K. Dickson, D. Kratzert, and R. Kaiser. Absent - Gloria Sine.

Art Staff

The art staff of the 1960 Viking consisted of two seniors, Gloris Sine, and Bonnie Salay. These girls deserve credit for their sketches, emblems, etc. in the yearbook. Their art ability was an asset to the staff, the school and the community.

K. Dickson, A. Smith, K. Miller, J. Progar, J. Simonich, and G. Balasik (Row 2) display their pride in the art work of Gloria Sine and Bonnie Salay, co-art editors.

Business Staff

The business staff, headed by Carole Lee Cunningham, assisted by Mary Jo Faller and Nancy Clowes, took care of the financial end of the Viking, such as the sale of yearbooks, ads, and patrons. This staff was added this year and the results have been excellent.

Our able assistant editor, Judy Simonich, (seated) looks over the progress of the 1960 Viking with N. Clowes, M. Cox, G. Carroll, and E. Cibulas.

QUEEN SUSAN KING RICHARD

May Day, 1959, was a happy and memorable one for Susan Nan and Richard Pesker who reigned as Queen and King of the May at Hopewell Memorial High School. The memories of this lovely couple, their court, and the festive occasion will be cherished not only by the class of 1959 but by all who so proudly attended the ceremony.

May Day

May Day was one of the climaxing events for the seniors of 1959, especially for King Richard Pesker and Queen Susan Nan.

The royalty were crowned by Mary Ann Lint and Jack Donovan. Chosen as sceptre bearers were Gayle Farrimond and Mike Kavic.

Carol Wimer, Warren Hall, Jane Houston, Harry Fellows, Madeline Kostial, Richard Kauch, Nadine Richards, Robert Toothman, Darlyne Houston, Richard Kerlin, Linda Hilton, John Jasek, Carole Young, James McKean, Judy McIlvain and William Lechman were all members of the May Court.

The theme of the program was "South Pacific". In honor of the court, the Hopewell High Dance Band played the "South Pacific Overture." The chorus sang "Bali Ha'i." Individual singers, Sophie Janicki, Pattie Sobash, and Frances Engle sang "Honey Bun," "Wash That Man Right Out of My Hair," and "Some Enchanted Evening," respectively. A group of senior class boys were then accompanied by the Dance Band in "There is Nothing Like a Dame." A waltz was performed by four junior class couples. The program was concluded with the procession of the May Court.

Pleased and amused with the program.

Junior Senior Prom

Every year it is the tradition for the junior class to hold a Junior-Senior Prom for the graduating seniors. The year 1959 was to be no different from the previous years.

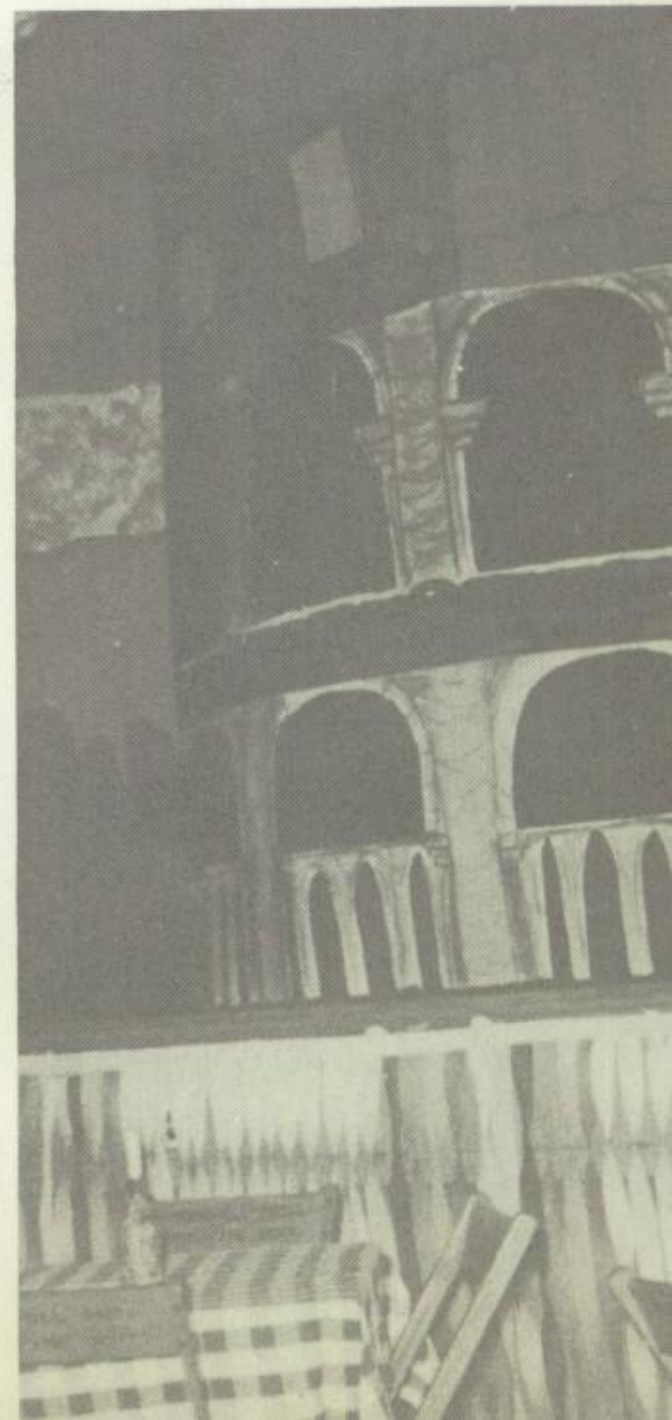

Fulfilling the theme, "Roman Holiday", the gym was decorated in an Italian atmosphere. This was made possible through the hard work of a group of juniors headed by Celia Bohlander and George Karamarkovich.

Entertainment was furnished by Lee Tolfa and his orchestra, and refreshments were served by several sophomore girls. The evening of May 8 was truly enjoyed by everyone.

Junior High

Grade Nine

We are the 1963 graduating class of Hopewell Memorial High School. Our activities have thus far been limited because we are still a part of the junior high school.

We, the freshmen, are proud to say our home room meetings have been very successful and educational. We have carried on panel discussions, studied etiquette, and had fashion shows.

As freshmen we feel we have made our contribution to the sports of the junior high school. The junior high football team strived along with the help of each player to make our team better each year. Kathy Gorsuch, head cheerleader, and the other three freshmen cheerleaders, Leah Koon, Carol Kugal, and Diane Cimeca were always seen at the games with cheerful, encouraging smiles and loud cheers. The junior high band along with the help of the majorettes, Kapi Milanovich, Kay Cunningham, and Maureen Kier made the half time shows a great success.

Our sponsors, Miss Barbara Yanyecic, Mrs. Eleanor Wiley, Mrs. Dorothy Sanborn, Mr. James Currie, Mr. Robert Casoli, and Mr. Harry Rowley, backed us all the way.

As another year continued the entire eighth grade strode toward their goal, becoming an active part of the junior high.

In their second year at the high school, these students well learned the do's and don'ts of good students, as well as those of good workers.

The Class of "1964" took part in activities such as sports, band, clubs, assemblies and many others. While working with the helping hands of their sponsors, these students prepared themselves to take their place as conscientious members of the junior high.

Grade Seven

In September of this school year, 306 frightened, excited, and anxious seventh graders entered Hopewell Memorial High School. During the first week of school they received an idea as to how their next six years would be spent. They were also introduced to many new classes. These included home economics, gym, shop, and study halls. After ending up in Mr. Bonomi's office at least once a day for two weeks, they finally got their schedules figured out to a certain degree.

The seventh graders were always seen in the halls, heard at the assemblies, and run over in the cafeteria. They belonged to many various clubs, and they were always willing to do things that added to the general good of their class. Despite many difficulties, they fast became an active part of our school. Under the leadership of their sponsors, Mrs. Peters, Mrs. McDonald, Mrs. Hileman, Mr. Joseph, Mr. Longo, Mr. Hrubovcak and Mr. Krancevic, they will graduate together as the Class of 1965.

Dempsey and Scurstone, to be exact Coach Dempsey and assistant coach Clyde Scurstone all behind the 1959-1960 Hopewell Memorial Junior High Basketball Team. These coaches are both familiar yet new faces to the boys on the squad. With the season not yet completed, they have seen great improvement and accomplishment made by the entire team. To quote the words of the head coach Mr. Dempsey: "as far as desire and determination go, these boys are tops." As far as the student body is concerned we can be sure these boys will be trained into a winning varsity squad.

Now, to get down to vital statistics. The top players and letter winners were Dan Worrell, Frank Obermier, Jack Bliss, Dan Ferezan, Frank Malinder, Tom Bohlander, Joe Uniw, Tom Mihok, and Jack Mihok. With their teammates in the eighth grade, Cal Strickler, Andy Robertson, Ron Eritano, and Tim Cox, the previously mentioned first string is concentrating on a victorious winning streak to finish the season with honors. Under the guidance of their coaches and with the leading points being scored by John Mihok, Don Worrell, and Frank Obermier, our junior high team will certainly fulfill our hopes, and fill the gymnasium with that familiar sound "swish."

The Graduating Class of 1960 now bids farewell to Hopewell Memorial High School. Looking forward to many goals, we steal a glance back to the years just behind us. We have gathered many memories and lasting friendships upon which we rest with confidence. As we leave these fond portals, we take with us dear treasures to keep always. Our true desire now is that we may live so as to be a credit to all those who have gone before and shall follow.

We bid adieu to you our school — to the faculty, to the students and the years. With the closing of this book we leave the old and start the new.
